Re: U.S. Patent No.: 7,106,870
Issued: September 12, 2006
Title: METHOD FOR ADJUSTING A HEARING DEVICE TO A MOMENTARY
ACOUSTIC SURROUND SITUATION AND A HEARING DEVICE SYSTEM
Inventor: Hilmar Meier et al.
Our Docket: TSW-36288

Sir:

A Certificate of Correction under 35 U.S.C. 254 is hereby requested to correct Patent Office printing errors in the above-identified patent. Enclosed herewith is a proposed Certificate of Correction (Form No. PTO-1050) for consideration along with appropriate documentation supporting the request for correction.

The PTO letter dated February 27, 2007 in regard to our previous request for a Certificate of Correction, dated January 22, 2007 (copy enclosed), is in error. A petition to correct inventorship was filed on October 4, 2004 (copy enclosed), which the PTO failed to address and, thus, omitted the name of the additional inventor on the printed patent. Also enclosed is a copy of the printout from PAIR showing receipt of the petition to add inventor by the PTO on October 6, 2004. Applicants hereby renew the request to add an inventor.

It is requested that the Certificate of Correction be completed and mailed at an early date to the undersigned attorney of record. The proposed corrections are obvious ones and do not in any way change the sense of the application.

We understand that a check is not required since the errors were on the part of the Patent and Trademark Office in printing the patent.

Very truly yours,

Michael W. Garvey, Reg. No. 35878

Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rules 1.322 and 1.323.

A petition under C.F.R. 1.182 is required to correct errors in spelling or order of inventors names or addresses, since inventor's names or addresses are printed solely in accordance with the type-written names and address and in the order of the type-written names and address on the Declaration, and since the error was the result of applicant's failure to comply with the requirement that the complete and correct names and addresses in correct order be indicated on the Declaration of Oath, no correction is in order here under the provisions of Rules 1.323, unless a petition is granted.

In view of the foregoing, your request is hereby denied.

A certificate of correction will issue for the remaining error noted in your request.

However, a petition under 37 CFR 1.182 should be directed to the attention of the Assistant Commissioner for Patents using the following mailing address or FAX number.
